RE: Licensing Exam and Study Manuals Available in Spanish

FROM: Glen Mulready, Oklahoma Insurance Commissioner

DATE: December 23, 2024

PURPOSE OF THIS NOTICE

The Hispanic-Latino population has become the second-largest ethnic group in Oklahoma over the last decade. The Oklahoma Insurance Department (OID), with this new census data, has focused on underserved populations by strengthening relationships in these communities. As part of this endeavor, the OID hired a Community Outreach Coordinator in 2022 focusing on consumer education. Our next project will begin on **January 1, 2025**, when the OID will offer all Insurance Producer and Adjuster licensing exams, including the Kaplan Financial exam study manuals, in Spanish.

The manuals will be offered in electronic and printed book formats. The manuals are sold as bundles: Life and Health License Exam Manual & Oklahoma State Law Supplement **OR** Property and Casualty License Exam Manual & Oklahoma State Law Supplement.

The licensing exam study manuals can be purchased at <https://www.oid.ok.gov/licensing-and-education/> by selecting the **Order Exam Study Manuals** link (located beneath the Education Tools section). The link lists each available format and provides instructions on purchasing. You will be directed to the Kaplan Financial Education portal if you select the electronic format.
